Dear Mr. Long:

RE: Electrolux Home Products
Jefferson, Iowa
RCRA ID No. IAD047055140

On April 9, 2003, a representative of the U. S. Environmental Protection Agency (EPA) inspected your facility. While this inspection was conducted under the authority of Section 3007 of the Resource Conservation and Recovery Act (RCRA), it was not a complete evaluation of your facility's compliance with the hazardous waste management regulations. A copy of that inspection report is enclosed.

I have reviewed the inspection report and determined that no violations of RCRA were documented. Therefore, no further action concerning this matter is necessary at this time. Please note that EPA reserves its enforcement authorities, including assessment of penalties, for violations that occur at any time.

I would like to remind you that your facility is responsible for maintaining compliance with all applicable hazardous waste regulations. If there are any questions regarding this matter, please contact James Terry, working under a grant for EPA at (913) 551-7958.

Sincerely,

Edwin G. Buckner, PE
